Your singing lessons can earn you free bonus sessions!

From 13th February 2009, we are introducing a loyalty scheme to help you save money with singing lessons taken. Each time you have a singing lesson, you're one step closer to reaching your goal.

For every 24 singing lessons (1 hour each) taken and paid for during a 12 month period, starting from the day you sign-up to the scheme, you will receive one free lesson. Double lessons will count as two lessons.

Each free lesson should be taken within 2 months of achieving the target 24 lessons. This can be outside of the 12 month period.

Use your complimentary session for a review, a recording or more technique and song learning.

Benefits:

- Save money
- Be rewarded for loyalty
- If preferred, you may pass on your free singing lesson to a third party

Terms and conditions:

- The loyalty scheme commences from the date of your first lesson after 12th February 2009
- Your earned bonus singing lesson(s) cannot be exchanged for cash
- On each 12 month anniversary of the day of you enter the scheme, your accumulated lessons will expire
